Sirocco: Med Dark Blend

A medium dark roast bringing complex flavors without any harshness. Strong yet subtle with deep tones, a rich powerful blend, full bodied with a hint of sweetness and no bitterness.

*use for drip coffee or French press

Mistral: Espresso Blend

A medium roast extracting all the perfectly balanced characteristics of the selected beans. A smooth, highly aromatic blend bringing the espresso experience to a higher level. A most pleasurable experience with a sweet aftertaste

*use for espresso or French press

Boreas: Light Blend

A medium light roast for bringing subtle flavor and aroma. A pleasing and soft blend for a smooth experience.

*use for drip coffee or French press or a light espresso

Zonda: Decaffeinated Blend

Rich flavor, strong aroma, full body. We use coffee that has been decaffeinated using a natural water process. Who said decaffeinated coffee should not tasted like coffee? The tasted with the caffeine.

*use for drip coffee or French press or espresso
